## Camden's fully-accessible canal boat!

Our fully-accessible, wide beam canal boat - **Pirate Prince** is available for day trips on the canal or longer residential excursions for groups of all abilities.

Driven by our fundamental aim to make the canal and Pirate Castle services fully accessible, this 55-foot long by 12-foot wide canal boat was specifically designed to cater for the needs of disability groups and includes a fully-accessible wet room, toilet and kitchen, wide fore and stern decks, wheelchair lifts and state-of-the art throttle control and steering systems which can be operated by a wheelchair user or people with impaired mobility.

**Pirate Prince's** wide, open plan layout with modern kitchen and plenty of indoor and outdoor space can accommodate up to 6 wheelchair users. Maximum number of people per group = 12.

If you fancy a taste of canal life and want to enjoy the wonderful environment along our canal system, this is the boat for you! **Pirate Prince** is available for use by charities, community groups and schools at subsidised rates - check out our [Camden Community Cruises](#) [1].

Private hire also available. Pirate Prince is perfect if you're looking for a more spacious option than a traditional narrowboat for your cruise or activity.

**Check out our short film 'Pirate Prince - A Dream Come True' to see our unique boat in action!**

**Please contact us on 020 72676605 for more information on this fantastic service!**

We look forward to hearing from you soon.
