Pirate Castle School Holiday Activity Schemes

Affordable, adventurous fun for 8 - 16 year olds

Have fun, get active and make a splash with us during the school holidays from spring half-term to autumn half-term. The Pirate Castle offers a range of exciting activities, including canal boating, fishing trips, expeditions and more!
Published on The Pirate Castle website (<http://www.thepiratecastle.org>)

- Have fun exploring the waterways
- Develop skills on the water with British Canoeing coaches and awards
- Learn to steer our canal boats and help work the locks
- Plus lots more at Camden's adventure castle!

Our fun, communal sessions help develop physical, technical and social skills, boost self-confidence and improve health and well-being. Each day includes two 1.5-hour sessions of water and/or land-based activities, with one hour in our canal-side Club Room to eat lunch, play table tennis and other games – or simply relax together after a good paddle!

Our Holiday Schemes also give youngsters the chance to achieve a range of formal and informal accreditations, reflecting their experiences with us. These are great for boosting motivation and self-esteem as technical skills develop, as well as laying foundations for onward progression in paddlesport and community canal boating:

British Canoeing 'Paddle-power' (under 14s) and 'Star' awards (14+)
Complete Crew Course and Boat Handling Course (14 years +); 'Junior Skipper' Course
In-house certificates and awards

Price for the day is only £15/£5 concessions (proof of receipt of benefits required). We are able to offer a heavily subsidised service thanks to the generosity of our funders and income raised through the private hire of our facilities.

Our Holiday Schemes are always very popular and numbers are limited - pre-booking recommended to avoid disappointment!

Packed lunch and full change of clothing, footwear and towel required. A Parental Consent Form must be completed for all attendees - available for download here: [Individual Child & Adult Consent Form](#) [1]

We aim to make our Holiday Schemes as inclusive as possible - please contact us to discuss any additional support requirements before booking.

Holiday Scheme sessions are run by our team of accredited, experienced BCU/UKCC instructors, qualified staff, skippers and volunteers. All staff and volunteers are enhanced DBS-checked.
