Thanks To Our Supporters

The Pirate Castle relies on grants and donations to support our charitable work and enable us to run our low-cost (often free) community projects.

Although the hire of our community spaces and services generates vital income to help fund our projects and operating costs, we simply couldn't function without the generous support we receive, both from our **loyal volunteers** who give their time, skills and energy to help run our raft of activities and the **Trusts, Foundations, individuals and corporate sponsors** whose grants and donations have helped keep The Pirate Castle afloat since 1966.

Our Trustees, staff, volunteers and Pirates young and old would like to thank all of our donors for choosing to support our work.

Along with the trusts, foundations and corporate sponsors listed below, we also recognise the many individuals who make regular and one-off donations. A huge "thank you" to you all for helping us make a difference!

LB Camden, January 2022: £85,320 Community Infrastructure Levy capital funding (Phase 2) to refurbish our changing rooms and showers areas. This major project will transform our paddlesport facilities by creating modern, unisex individual changing and shower cubicles;

Can you help us make a difference?

- Do you know of any charitable trusts and foundations who may be interested in supporting our work?
- Do you know somebody who is looking to make a positive contribution to the local community?
- Do you work for a company or business that's looking for a local community charity to sponsor?
- Do you have any fundraising ideas?

If so, we'd love to hear from you!
