Thanks To Our Supporters

The Pirate Castle relies heavily on voluntary donations to support our charitable work and enable us to run our community projects.

Although the private hire of our community spaces and services generates vital income towards our community projects and operating costs, we simply could not function without the generous support we receive, both from our **loyal volunteers** who give their time, skills and energy to help run projects and the **Trusts, Foundations, individuals and corporate sponsors** whose grants and donations have helped keep us afloat for over 50 years.

Our trustees, staff, volunteers and Pirates young and old would like to thank our donors for their generous support, which makes a huge difference in keeping The Pirate Castle afloat!

As well as the trusts, foundations and corporate sponsors listed below, we also recognise the many individuals who make regular and one-off donations. A huge "thank you" to you all!
