

Ways to donate to The Pirate Castle

If you'd like to support our community projects and help make a difference, donating to The Pirate Castle couldn't be easier!

We are hugely grateful for every piece of eight or shiny dubloon to help fund our raft of canal-based community projects - here are some examples of how your donations help keep us afloat and make our work possible:

£30 funds a new spray deck or safety equipment for youth and community kayak sessions

£100 funds an accredited kayak instructor for 1 day of our inclusive Holiday Schemes

Our supervision ratio for youth kayaking is 1:8 and at least 3 instructors are needed every day during Holiday Schemes to meet demand - even more in the summer!

£250 fully funds a Camden Community Cruise on our fully accessible canal boat for disability and special needs groups, families in hardship and vulnerable local residents

£400 funds accredited training for one of our volunteer canal boat skippers

We are an official training centre for the National Community Boats Association and train all of our volunteer skippers and crew in-house to rigorous standards
