### **Camden's fully-accessible canal boat!**

Our fully-accessible, wide beam canal boat - **Pirate Prince** is available for day trips on the canal or longer residential excursions.

Driven by our fundamental aim to make the canal and Pirate Castle services fully accessible, this 55-foot long by 12-foot wide canal boat was specifically designed to cater for the needs of disability groups and includes a fully-accessible wet room, toilet and kitchen, wide fore and stern decks, wheelchair lifts and state-of-the art throttle control and steering systems which can be operated by a wheelchair user or people with additional physical and/or sensory support needs.

**Pirate Prince's** wide, open plan layout with modern kitchen and plenty of indoor and outdoor space can accommodate up to 6 wheelchair users. Maximum number of people per group = 12.

If you fancy a taste of canal life and want to enjoy the wonderful environment along our canal system, this is the boat for you! **Pirate Prince** is available for use by charities, community groups and schools at subsidised rates - check out our [Camden Community Cruises](#) [1].

**Pirate Prince is also available for private hire and is perfect if you're looking for a more spacious option than a traditional narrowboat!**

Private Hire rate = £130.00 per hour (minimum trip length = 2 hours, maximum 12 passengers)

**Check out our short film 'Pirate Prince - A Dream Come True' to see our unique boat in action!**

**Please contact us on 020 72676605 for more information or to book**

We look forward to hearing from you soon.
