The Pirate Castle's been helping our communities FLOAT (Fulfilling Lives: Opportunity, Activities & Training) since 1966!

From humble beginnings as a kids' rowing club almost 60 years ago, we've transformed our stretch of the canal from an under-used resource to a thriving hub of activity and inclusivity, providing low-cost and free activities for all - including specialist projects for young people, disability, SEMH (social, emotional and mental health needs), elders and LGBTQ+ groups and communities most in need. We also partner with schools, voluntary and support organisations from across London to broaden our reach and maximise our impact.

Today, over 4,000 people access our services each year!

As a small (but mighty!) local charity, we rely on the generosity of our donors and funders to keep our venue, boat fleet and raft of canal-based community projects afloat.

If you'd like to help us keep flying the flag for opportunity, adventure and boating for all in Camden, donating to The Pirate Castle couldn't be easier!

If you can, please [help FLOAT OUR BOATS and support our Crowdfunder campaign](#). [1]
Every doubloon and piece of eight matters & will make a massive difference!
